

# transforming lives

## Become a Prison Fellowship volunteer and see lives transformed

Volunteers are vital to the work of Prison Fellowship throughout England and Wales. The aim is to restore all those affected by crime and to - through prayer; values based programmes and practical action - 'see lives transformed.'

Our Volunteers are involved in many diverse ways but there are three activities that are at the core of Prison Fellowship England and Wales:

- **Prayer Groups** – At the centre of all we do; this is where it all started!
- **Sycamore Tree** – A programme focused on Restorative Justice and Victim Awareness.
- **Angel Tree** – This enables children to receive a Christmas present from their parent(s) in prison.

**PRISON FELLOWSHIP**
